PLEASE NOTE OUR APPLICATION PROCESS:

- 1) Application Submitted
- 2) Approval by Emporium Management (depending on volume, could take up to 7 business days to allow due diligence in checking into vendor information)
- 3) Once approved, application is moved to the lottery system and included during drawings for spaces as they become available.

****We have a long list of vendors waiting for space to become available. Please note that this is considered when deciding renewal of existing vendor lease. To keep it fair, we use the lottery system to give a fair shot to all vendors waiting for space in the Emporium. Renewal after 6 months is not guaranteed.**
